INTRODUCTION

The Illinois Register is the official state document for publishing public notice of rulemaking activity by State governmental agencies. The table of contents is arranged categorically by rulemaking activity and alphabetically by agency within each category. Rulemaking activity consists of proposed or adopted new rules or amendments to or repealers of existing rules, including those by emergency or peremptory action.

The *Register* also contains Executive Orders and Proclamations issued by the Governor, notices of public information required by State statute, and activities (meeting agendas, Statements of Objection or Recommendation, etc.) of the Joint Committee on Administrative Rules (JCAR), a legislative oversight committee which monitors the rulemaking activities of State agencies. In addition, the *Register* contains a Cumulative Index listing alphabetically by agency the Parts (sets of rules) on which rulemaking activity has occurred in the current *Register* volume and a Sections Affected Index listing, by Title of the *Illinois Administrative Code*, each Section (including supplementary material) of a Part on which rulemaking activity has occurred in the current volume. Both indices are action coded and are designed to aid the public in monitoring rules.

The *Register* will serve as the update to the *Illinois Administrative Code*, a compilation of the rules of State agencies. The most recent edition of the *Code* along with the *Register* comprise the most current accounting of the State agencies' rules.

The *Illinois Register* is the property of the State of Illinois, granted by the authority of the Illinois Administrative Procedure Act (Ill. Rev. Stat. 1991, ch. 127, pars. 1001 et seq., as amended).

Section 1025.10 Purposes

- a) This Part establishes an Americans with Disabilities Act Grievance Procedure pursuant to the Americans With Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) (ADA), and specifically Section 35.107 of the Title II regulations (28 CFR 35.107) requiring that a grievance procedure be established to resolve grievances asserted by qualified individuals with disabilities. Should any individual desire to review the ADA or its regulations to understand the rights, privileges and remedies afforded by it, please contact the Designated Coordinator.
- b) In general, the ADA requires that each program, service, and activity offered by the Department of Employment Security (Department), when viewed in its entirety, be readily accessible to and usable by qualified individuals with disabilities.
- c) It is the intent of the Department to foster open communication with all individuals requesting ready access to programs, services and activities. The

NOTICE OF PROPOSED RULE(S)

Department encourages supervisors of programs, services and activities to respond to requests for modifications before they become grievances.

Section 1025.20 Definitions

"Complainant" is an individual with a disability who files a grievance form provided by the Department in accordance with this Part.

"Designated Coordinator" is the person appointed by the Department Director to coordinate the Department's efforts to comply with and carry out its responsibilities under Title II of the ADA, including investigation of grievances filed by complainants. The Designated Coordinator for the Department is Ms. Hattie Jones. Ms. Jones can be contacted at 401 South State Street, Chicago, IL 60605 or by telephone at 312-793-9290 (voice); 312-793-9350 (TDD).

"Director", wherever used herein, means the Director of the Illinois Department of Employment Security or the Director's Designee.

"Disability" means, with respect to an individual, a physical or mental impairment that substantially limits one or more of the major life activities of such individual; a record of such impairment; or being regarded as having such an impairment.

"Grievance" is any complaint under the ADA by an individual with a disability who meets the essential eligibility requirements for participation in or receipt of the benefits of a program, activity or service offered by the Department, and who believes he or she has been excluded from participation in or denied the benefits of any program, service or activity of the Department, or has been subject to discrimination by the Department, on the basis of his or her disability.

"Qualified individual with a disability" means an individual with a disability who, with or without reasonable modifications to rules, policies, or practices, the removal of architectural, communication, or transportation barriers, or the provision of auxiliary aids and services, meets the

essential eligibility requirements for the receipt of services or the participation in programs or activities provided by the Department.

Section 1025.30 Procedure

- a) Grievances shall be submitted in accordance with the procedures established in Section 1025.40 and 1025.50 of this Part, in the form and manner described, and within specified time limits. Time limits established in this procedure are in calendar days, unless otherwise stated, and may be extended by mutual agreement in writing by the complainant and the reviewer at the Designated Coordinator and Final Levels.
- b) A complainant's failure to submit a grievance, or to submit or appeal it to the next level of procedure, within the specified time limits shall mean that the complainant has withdrawn the grievance or has accepted the last response given in the grievance procedure as the Department's final response.
- c) The Department shall, upon being informed of an individual's desire to file a formal grievance, instruct the individual how to receive a copy of this procedure and the grievance form.

Section 1025.40 Designated Coordinator Level

- a) If an individual desires to file a formal written grievance, the individual shall promptly, but no later than 180 days after the alleged discrimination, submit the grievance to the Designated Coordinator in writing on the grievance form prescribed for that purpose. The Department shall accept all complete grievance forms under this Section. If the complainant submits an incomplete grievance form, the Department shall notify the complainant and specify the additional information needed to complete the form. If the complainant fails to complete the grievance form with the additional information requested, the Department shall close the grievance without prejudice. The grievance form shall include:

- 1) the complainant's name and, if applicable, address and telephone number;

- 2) the best means and time for contacting the complainant;
 - 3) the program, activity or service which was denied complainant or in which alleged discrimination occurred;
 - 4) the date and nature of the alleged denial or discrimination;
 - 5) the signature of the complainant.
- b) Upon request, assistance shall be provided by the Department to complete the grievance form.
- c) The Designated Coordinator or his representative shall investigate the grievance and shall make reasonable efforts to resolve it. The Designated Coordinator shall provide a written response to the complainant and to the Director of the Department within ten (10) business days after receipt of the grievance form.

Section 1025.50 Final Level

- a) If the grievance is not resolved to the satisfaction of the complainant at the Designated Coordinator Level, the complainant may submit a copy of the grievance form and Designated Coordinator's response to the Director of the Department for final review. The complainant shall submit these documents to the Director together with a short written statement explaining the reason(s) for dissatisfaction with the Designated Coordinator's written response, within five (5) business days after receipt by the complainant of the Designated Coordinator's response.

- b) The complainant shall be afforded an opportunity to appear before the Director. The complainant shall have a right to appoint a representative to appear on his or her behalf. The Director shall review the Designated Coordinator's written response and may conduct interviews and seek advice as the Director deems appropriate.

- c) The Director shall approve, disapprove or modify the recommendation of the Designated Coordinator, shall render a decision thereon in writing within thirty (30) days, shall state the basis therefor, and shall cause a copy of the decision to be served on the parties. The Director's decision shall be final. If the Director disapproves or modifies the Designated Coordinator's recommendations, the Director shall include written reasons for such disapproval or modification.
- d) The grievance form, the Designated Coordinator's response, the statement of reasons for dissatisfaction, and the decision of the Director shall be maintained in accordance with the State Records Act (Ill. Rev. Stat. 1991, ch. 116, par. 43.4 et seq.) or as otherwise required by law.

Section 1025.60 Accessibility

The Department shall ensure that all stages of the grievance procedure are readily accessible to and usable by individuals with disabilities.

Section 1025.70 Case-by-Case Resolution

Each grievance involves a unique set of factors which include, but are not limited to: the specific nature of the disability, the essential eligibility requirements, the benefits to be derived, and the nature of the service, program or activity at issue, the health and safety of others and, whether or not an accommodation would constitute a fundamental alteration to the program, service or activity or undue hardship on the Department. Accordingly, termination of a grievance at any level, whether through the granting of relief or otherwise, shall not constitute a precedent on which any other complainants should rely.

as specified in subsection (b)(3)(A) within 60 days of receipt shall be budgeted as non-recurring lump sum income. A payment receipt shall be required as verification of any insurance-related expenses claimed as exempt under subsection (b)(3)(A).

c) If the assistance unit receives lump sum payment income in any month which, together with all other income received, after application of the appropriate income deductions and exemptions of this Part, exceeds the applicable standard of need for that unit size (See 89 Ill. Adm. Code § 111.101), the assistance unit is ineligible for assistance for a specific period of time. The period of time of ineligibility is the whole number of months the total income received by the assistance unit (minus the deductions and exemptions) would meet the applicable standard of need. Any of this income left over after the above calculation shall be considered as income in the first month following the period of ineligibility.

d) The assistance unit may apply to have the ineligibility period caused by receipt of non-recurring lump sum income shortened. The ineligibility period shall be shortened in the following situations:

1) When the non-recurring lump sum payment or a portion of the payment becomes unavailable to the family because the family incurs a loss due to fire, flood or natural disaster which occurred during the ineligibility period. That amount of the lump sum payment the client spends or contracts to spend within sixty (60) days of the fire, flood or natural disaster to repair or replace the lost or damaged property shall be deducted from the lump sum income when recalculating the period of ineligibility.

2) When the non-recurring lump sum payment or a portion of the lump sum payment becomes unavailable to the client due to payment of medical expenses which were incurred by a family member and paid in a month during the period of ineligibility caused by receipt of a lump sum payment. Only those expenses which the Department allows toward meeting spenddown (See 89 Ill. Adm. Code § 140.3) shall be considered allowable medical deductions when recalculating the period of ineligibility. The allowable medical expenses must have been incurred and paid during the ineligibility period. A payment receipt shall be required as verification.

e) When an eligible dependent child joins the assistance unit during the period of ineligibility caused by receipt of a lump sum payment, a

Section 112.127(e) (continued)

separate grant case may be established to provide cash and medical assistance for the new child. The period of ineligibility shall not change when an adult moves into the assistance unit.

89 Ill. Adm. Code 140.525

These proposed amendments eliminate payments by the Department to long term (LTC) facilities and developmental training (DT) agencies under the Quality Incentive Program (QUIP). QUIP payments were reduced under the Emergency Budget Act (EBA) of Fiscal Year 1992, and will be eliminated effective July 1, 1992.

The proposed amendments provide information regarding QUIP payment levels for the period beginning July 1, 1991 and ending January 31, 1992, and for the period of February 1, 1992 through June 30, 1992 which reflects the EBA reductions.

The elimination of QUIP payments will permit the Department to redirect QUIP funding toward essential LTC programs and services. The absence of QUIP payments will not result in any negative impact upon regular reimbursement levels paid by the Department to LTC facilities and DT agencies.

Other rules pertaining to QUIP (140.526, 140.527, 140.528 and 140.529) have been proposed for repeal. The proposed repeal was published on June 19, 1992, at 16 Ill. Reg. 9393.

The Department estimates the annual budget reduction resulting from the elimination of QUIP payments at approximately \$13.8 million. A reallocation of these funds will occur for payments for essential LTC Medicaid services.

89 Ill. Adm. Code 140.538

The proposed amendments in Section 140.538 update the Public Act number from 87-13 to 87-861, to accurately reference the revised Medicaid assessment program which is effective for Fiscal Year 1993.

 147.150 Amendment
 147.205 Amendment
- 4) Statutory Authority: Section 12-13 of the Illinois Public Aid Code (Ill. Rev. Stat. 1991, Ch. 23, Par. 12-13)
- 5) Complete Description of the Subjects and Issues Involved:

89 Ill. Adm. Code 147.150

Emergency amendments are being filed which provide for necessary increases in the rates of reimbursement for nursing care in nursing facilities. Two revisions are being proposed regarding wages for nurses (RNs and LPNs) and nurse aides, which will result in increases in statewide rates and create greater equity in calculating facility rates. The first change allows for the continuation of the minimum wage factor. For facilities below the statewide average wage, the wage is replaced by 90% of the statewide average. Absent the immediate implementation of the continuation of the minimum wage factor, such provisions in Section 147.150 were to expire due to questions regarding the adequacy of funding for long term care services for Fiscal Year 1993. Additionally, the final wage multiplier is being increased from 4.1% to 6.2%, and will result in a 2% wage increase in the nursing component. The estimated increase in Department expenditures due to these changes is \$13.4 million.

89 Ill. Adm. Code 147.205

These emergency amendments will result in necessary increases in nursing rates for nursing facilities, through a wage adjuster add-on. These amendments provide for an add-on to the final nursing rate calculation, that pays \$1.58 per resident day in Health Service Areas (HSA) which have wages equal to or above the statewide average, and \$2.00 per resident day in HSAs that have wages below the statewide average. The approximate increase in Department expenditures due to the wage adjuster add-on is \$31.7 million.

Section 673.10 General Provisions

- a) In order to provide fiscal safeguards to ensure that the Department of Rehabilitation Services (DORS) does not incur obligations in excess of appropriated funds; DORS has adopted this Part which makes substantive changes to DORS' Home Services Program (HSP), (Ill. Rev. Stat. 1991, ch. 23, par. 3434(g)).
- b) All provisions of this Part shall be effective as of the filing date and shall remain in effect until November 27, 1992.
- c) If, subsequent to the adoption of this Part, the General Assembly enacts legislation which appropriates funding at levels which negates the necessity of this Part, DORS shall repeal any or all of this Part and restore intake services, as funding shall permit.
- d) No provisions of this Part shall affect individuals currently receiving services through HSP, or individuals who have completed the application process prior to the effective date of this Part, unless

appropriated funds are insufficient to meet current client services.

Section 673.20 Referral

- a) This section, for the effective period of this Part, shall be substituted for rules found at 89 Ill. Adm. Code 678.300.
- b) DORS shall gather referral information on all pre-applicants/referrals seeking to apply for HSP. This information shall include: name; address; age; sex; referral source; and alleged disability. The information shall be reviewed and if appropriate for DORS services, this information shall be recorded in a standardized and confidential manner for the purpose of establishing a list of individuals interested in applying for HSP so that, at a time funding levels for HSP allow, adequate information will be on hand to permit DORS to contact these individuals to make application to HSP, if they choose. If the referral information indicates that the individual is not a candidate for services through HSP, but possibly for another agency's program, appropriate referral shall be made.

Section 673.30 Application

- a) This section, for the effective period of this Part, shall be substituted for rules found at 89 Ill. Adm. Code 678.350, 89 Ill. Adm. Code Part 683 and 89 Ill. Adm. Code Part 693.
- b) DORS shall not make applications available to individuals wishing to apply for services through HSP. Only that information necessary to constitute a bonafide referral shall be gathered, as previously stated in Section 674.20(b) of this Part.

Section 673.40 Prescreening

- a) This section, for the effective period of this Part, shall be substituted for rules found at 89 Ill. Adm. Code Part 690 which offer HSP services as an alternative to nursing home care (NHC).

- b) DORS shall continue to prescreen individuals for NHC as required in 89 Ill. Adm. Code 690.100. However, individuals determined as eligible for nursing home placement or HSP services, as determined by the DETERMINATION OF NEED (see 89 Ill. Adm. Code 685.500), shall not be provided HSP services as an alternative to NHC.

Section 673.50 Appeals

For the effective period of this Part, the term "client" shall not be considered to include applicants/preapplicants and thus applicants/preapplicants shall not have the right to appeal under 89 Ill. 114.353	Amendment	July 17, 1992 (16 Ill. Reg. 11401)

- 15) Summary and Purpose of Adopted Amendments: This rulemaking does three things. First, it eliminates the "cure", the ability of a Transitional Assistance client to end a sanction for failure to cooperate in an employment or training program simply by signing a written intent to cooperate. The Department no longer believes that a sanction for failure to cooperate in employment and training programs should be waived without a showing of good cause.

Second, this rulemaking clarifies that if subject to a sanction, the client will be subject to the sanction during months the client is otherwise eligible for assistance. This clarification is especially necessary now that Transitional Assistance is a time limited program.

Third, this rulemaking creates a conciliation process. This process will be used when a client has not complied with a program requirement to determine the reason for the non-compliance and give the client an opportunity to comply before being disqualified or sanctioned. This replaces the good cause meeting.

SUBPART D: PROJECT CHANCE

Section 114.128 Employment and Training Sanctions

- a) Clients who fail to cooperate with Project Chance shall be subject to sanctions.

1) Persons who fail to cooperate with the requirements of employment, and training, after having received a Project Chance assessment shall be ineligible for General Assistance for three (3) months for the first instance of non-cooperation and for six (6) months for each subsequent instance of non-cooperation.

2) The client who has been sanctioned shall have an opportunity to cure his/her non-cooperation at any time and be reinstated on General Assistance by signing a written intent to cooperate. Reinstatement shall be effective the date the client signs the written intent to cooperate. A client may cure non-cooperation in this way only once each twelve (12) month period. When a cure is made in this manner, non-cooperation will be treated as if it did not happen for purposes of whether a new instance of non-cooperation will result in a three (3) or a six (6) month sanction. The sanction shall be applied to months for which the client otherwise is eligible to receive assistance. If the client's eligibility period expires before the full sanction is applied pursuant to Section 114.1(b), or the client otherwise becomes ineligible for assistance, the remaining months of the sanction will be applied beginning with the first month the client applies for and is determined otherwise eligible to receive assistance, unless the client has not received assistance for at least 12 months from the end of the last eligibility period, in which case the remaining months of the sanction shall be considered applied.

b) Sanctions shall be imposed against those mandatory registrants who have received a full assessment and who refuse or fail to participate without good cause in Project Chance (see Section 114.129 for good cause).

1) Sanctioning will result from one (1) instance of any of the following:

- A) refusal/failure to respond to a job referral;
- B) refusal/failure to accept a bona fide offer of suitable employment (see Section 114.124);

Section 114.128(b)(1) (continued)

C) discontinuing suitable employment (including quitting a job after placement and before cancellation) without good cause (see Section 114.129);

D) reducing suitable employment (i.e., hours of employment) without good cause (see Section 114.129); or

E) use of a supportive service payment (see Section 114.130) for something other than the supportive service for which it was provided.

2) A sanction will be imposed when a mandatory registrant fails to comply, without good cause, with the following Project Chance requirements on one (1) occasion, unless otherwise indicated:

A) A mandatory registrant fails, without good cause, or refuses to respond to a written notice for an appointment. If the mandatory registrant arrives anytime within thirty (30) minutes of the start of the scheduled meeting, the mandatory registrant will be considered present. If the mandatory registrant has good cause (see Section 114.129) for being more than thirty (30) minutes late, the tardiness will be excused. The Project Chance worker will include the mandatory registrant in a scheduled group or other meeting or re-schedule the mandatory registrant for another meeting;

B) A mandatory registrant refuses to accept child care, transportation, family counseling or other social service or employment and training services such as testing or employment counseling without good cause, thereby precluding or interrupting participation or progress in the employment plan;

C) Registrants who fail to cooperate in Job Search one (1) time without good cause after assessment, shall be sanctioned. Each missed session is considered an instance of non-cooperation. Failure of a mandatory registrant to make the required twenty (20) employer contacts in a thirty (30) day period, shall result in a sanction (see Sections 114.124(c)), and 114.129);

D) A registrant in the Work Experience component must report to the work assignment every day scheduled. Failure to attend the work assignment one (1) day in a thirty (30) day period, or failure to report to the job assignment

initially shall result in a sanction. Each missed assignment is considered an instance of non-cooperation during a thirty (30) day period. Failure of a registrant to make the eight (8) required job contacts in a thirty (30) day period without good cause, shall result in a sanction (see Sections 114.124(c) and 114.129);

- E) After a mandatory registrant agrees to participate in a Pre-Employment activity, he/she must maintain a satisfactory level of attendance as established by the educational facility. However, failure to attend training or education classes three (3) times in a thirty (30) day period without good cause, shall result in a sanction (see Section 114.129);
- F) The mandatory registrant must attend all Job Club meetings scheduled. Failure to attend one (1) job search session without good cause shall result in a sanction. Failure of a mandatory registrant to make the twenty (20) required employer contacts in a thirty (30) day period, or failure to make employer contacts as required by the Job Club, shall result in a sanction (see Sections 114.124(c) and 114.129).
- G) Failure of a mandatory participant to attend training as specified for the Special Projects, shall result in a sanction.

- 3) A Project Chance sanction shall be imposed only on mandatory registrants who have received a full assessment (see Section 114.126 for assessment criteria).

- 4) No Project-Chance-sanction will be imposed until Project-Chance staff has sent the mandatory registrant a written notice scheduling a meeting to determine whether or not the mandatory registrant had good cause for his/her failure to comply with Project-Chance requirements, or is unable to comply, and the registrant has either failed to attend the meeting without good cause or failed to show good cause. The written notice shall explain the purpose of the appointment and the consequences for failure to attend or failure to show good cause and shall include a definition of good cause. Failure of the mandatory registrant to appear for the scheduled meeting is not considered an instance of non-cooperation.

The conciliation process will be used to determine the reason(s) the participant did not comply with the Project Chance program requirement and provide the participant with an opportunity to comply prior to the imposition of sanction.
- b) The conciliation period shall begin the day following the date of Project Chance's discovery of the participant's refusal or failure to comply with program requirements and shall continue for a period not to exceed thirty (30) calendar days. Within this conciliation period the participant shall receive notice in writing of a meeting to ascertain the reason(s) for the refusal or failure and to determine whether good cause exists. If it is determined that good cause does not exist Project Chance shall inform the participant of the

Section 114.135(b) (continued)

pertinent Project Chance requirements and the consequences of failing to comply. The participant shall be informed of the actions necessary for compliance and the date by which compliance must be achieved to avoid the initiation of sanction procedures. The compliance date may not exceed the end of the conciliation period. To avoid sanction the participant must perform a verifiable act of compliance within the thirty (30) day conciliation period. Verbal commitment by the participant is not sufficient, unless the participant is prevented from complying by circumstances beyond the participant's control, such as unavailability of a suitable component. If it is apparent that the individual will not comply, for example, the individual refuses to comply and does not have good cause, Project Chance may end the conciliation period early and proceed with sanction procedures. The participant's refusal to comply shall be documented in the case record.

c) If the participant does not comply during the conciliation period Project Chance shall initiate sanction action no later than the last day of the conciliation period. Sanction action may be cancelled if Project Chance is able to verify that compliance was achieved by the end of the conciliation period.

d) Participants will be provided written notice of sanction, including the particular act of refusal or failure to comply, the proposed period of sanction and shall specify when the participant may reapply. Information shall also be included on or with the notice of adverse action describing the action which can be taken to end or avoid the sanction and procedures. The participant has the right to request an appeal hearing through the Department's fair hearing process. A participant shall be allowed to examine the Project Chance case record at a reasonable time before the date of the appeal hearing, except for confidential information that Project Chance determines should be protected from release. Confidential information not released to a participant may not be used by either party at the hearing.

DEPARTMENT OF PUBLIC AID
NOTICE OF EMERGENCY AMENDMENTS

- 1) Heading of the Part: Medical Payment
- 2) Code Citation: 89 Ill. Adm. Code 140
- 3) Section Numbers:

Emergency Action:
140.525 Amendment
140.538 Amendment
- 4) Statutory Authority: Section 12-13 of the Illinois Public Aid Code (Ill. Rev. Stat. 1991, ch. 23, par. 12-13)
- 5) Effective Date of Amendments: August 14, 1992
- 6) If these Emergency Amendments are to expire before the end of the 150-day period, please specify the date on which it is to expire: Not applicable
- 7) Date Filed in Agency's Principal Office: August 14, 1992
- 8) Reason for Emergency:

89 Ill. Adm. Code 140.525

These emergency amendments are being filed because of the need to reallocate available funding for long term care (LTC) services under the Medicaid Program. This reallocation of funds has become necessary because of the passage of the revised Medicaid assessment program for LTC facilities, which will enable the Department to continue payments for many essential services and programs for long term care facilities. A determination has been made to eliminate payments under the Quality Incentive Program (QUIP), because a continuation of QUIP payments would force the Department to reduce the funding which is available for essential services. QUIP payments will no longer be made, effective July 1, 1992. The elimination of QUIP payments will not reduce payments to providers for the provision of essential services.

89 Ill. Adm. Code 140.538

These emergency amendments are being filed in response to the passage of Public Act 87-861, the Medicaid Revenue Act, which allows the implementation of a revised Medicaid assessment program for long term care facilities and hospitals. Section 140.538, which references provider assessment fees which were required for Fiscal Year 1992 under Public Act 87-13, requires immediate updating because Public Act 87-861 has become effective for Fiscal Year 1993.

- 9) Complete Description of the Subjects and Issues Involved:

ILLINOIS REGISTER
DEPARTMENT OF PUBLIC AID
NOTICE OF EMERGENCY AMENDMENTS

89 Ill. Adm. Code 140.525

These proposed amendments eliminate payments by the Department to long term (LTC) facilities and developmental training (DT) agencies under the Quality Incentive Program (QUIP). QUIP payments were reduced under the Emergency Budget Act (EBA) of Fiscal Year 1992, and will be eliminated effective July 1, 1992.

The proposed amendments provide information regarding QUP payment levels for the period beginning July 1, 1991 and ending January 31, 1992, and for the period of February 1, 1992 through June 30, 1992 which reflects the EPA reductions.

The elimination of QVIP payments will permit the Department to redirect QVIP funding toward essential LTC programs and services. The absence of QVIP payments will not result in any negative impact upon regular reimbursement levels paid by the Department to LTC facilities and DT agencies.

Other rules pertaining to QUIP (140.526, 140.527, 140.528 and 140.529) have been proposed for repeal. The proposed repeal was published on June 19, 1992, at 16 Ill. Reg. 9393.

The Department estimates the annual budget reduction resulting from the elimination of QUP payments at approximately \$13.8 million. A reallocation of these funds will occur for payments for essential LTC Medicaid services.

89 Ill. Adm. Code 140.538

The proposed amendments in Section 140.538 update the Public Act number from 87-13 to 87-861, to accurately reference the revised Medicaid assessment program which is effective for Fiscal Year 1993.

facilities (SNF and SNF-PED) and intermediate care facilities (ICF), but excluding intermediate care facilities for the mentally retarded and developmentally disabled (ICF-MR/DD), specialized living centers (SLC), and intermediate care facilities for the mentally retarded and developmentally disabled with fifteen or fewer residents (ICF-MR/DD-15), enrolled in the Medical Assistance Program unless the facility has requested in writing that the Department not conduct the assessment or assess a specific QUIP component. The facilities identified above (ICF-MR/DD, SLC, and ICF-MR/DD-15) for exclusion from the QUIP assessment process will continue to receive QUIP payments determined during the Spring 1987 QUIP assessment survey for the reimbursement periods beginning January 1, 1988, and will continue until the implementation of the DD QUIP tool. Facilities for the developmentally disabled which did not receive a QUIP assessment for this reimbursement period, or did receive such an assessment and did not meet the required achievement level for all Parts of QUIP, may request a QUIP assessment for reimbursement periods falling between January 1, 1988, and December 31, 1988. Assessments which occur after January 1, 1988 will result in QUIP payments retroactive to January 1, 1988, or the date when all eligibility qualifications are met in the case of facilities which were not operational at the time of QUIP assessments for the reimbursement period July 1, 1987, through December 31, 1987. Compliance with all QUIP eligibility qualifications since January 1, 1988, is required of facilities for the developmentally disabled, which were operational prior to this date, requesting QUIP assessments under these provisions. Requests for such assessments must be submitted (delivered or postmark dated) in writing to the Department by September 30, 1988. Intermediate care facilities for the mentally retarded and developmentally disabled (ICF-MR/DD, SLC, and ICF-MR/DD-15) which may request a QUIP assessment are:

- 1) Facilities which did receive a QUIP assessment for the reimbursement period July 1, 1987, through December 31, 1987, but did not meet the achievement level for all Parts of QUIP.
 - 2) Facilities which were not in operation at the time of QUIP assessments for the reimbursement period July 1, 1987, through December 31, 1987.
 - 3) Facilities which were ineligible for QUIP at some time in 1987, and have not received QUIP payments in 1988.
- b) In order to be eligible for the Quality Incentive Program, a facility must meet the five following basic qualifications. In the event that

a facility is involved in a hearing or appeal regarding subsection (b)(1), (2), or (4), a QUIP assessment will be conducted as regularly scheduled and the results will be handled as specified in subsection (b)(1), (2), or (4).

- 1) Participation in the Medical Assistance Program
 - A) A facility shall be currently certified for participation in the Medicaid Program and have a current provider agreement as required in Section 140.11 of this Part. If the Department initiates a termination action against any level of care in the facility, the Department will withhold QUIP payments effective with the date the facility is notified of the administrative action and continuing during the pendency of the hearing. If the facility prevails at the hearing, and the facility is otherwise eligible for QUIP, the action will not affect the facility's QUIP eligibility, and withheld QUIP payments will be released to the facility. If the facility does not prevail at the hearing, and the facility's provider agreement is terminated or the facility is terminated from the Medical Assistance Program, QUIP payments will not be released, and the facility will be considered ineligible for QUIP as of the date the facility was notified of the administrative action. If the federal government initiates a termination action, against any level of care in the facility, all QUIP payments will be withheld beginning with the date the action was initiated and continuing during the pendency of any hearing, and will be released only if the facility prevails in the hearing. Ineligibility for QUIP will occur as of the date of initiation of the federal action. Any termination action will disqualify the facility for QUIP for the remainder of the QUIP period (as defined in Section 140.528(d)) as specified above, and will disqualify the facility for QUIP for the subsequent QUIP period(s) until the facility is again eligible under this qualification. When a facility reenters the Medical Assistance Program, and remains in the Medical Assistance Program for the duration of one full QUIP eligibility period it will again be eligible for participation in QUIP.
 - B) If a facility voluntarily withdraws from the Medical Assistance Program, the facility will no longer be eligible for participation in QUIP, and QUIP payments will be discontinued as of the date of receipt of the notification to the Department of the voluntary withdrawal.

Section 140.525(b) (continued)

- 2) A facility shall be currently licensed as required in rules of the Illinois Department of Public Health (IDPH) at 77 Ill. Adm. Code 300.120 through 300.160; 350.120 through 350.160; or 390.120 through 390.160.
- A) If IDPH takes any action to revoke, suspend, or not renew a facility's license, the facility shall become ineligible for QUIP on the date of notification of licensure action. Such ineligibility shall continue as described in Section 140.525(b)(2)(C). If the facility administratively appeals IDPH's licensure action, payments will be withheld from the date of notification of licensure action and continuing for the duration of the licensure action plus the remainder of the QUIP eligibility period during which the licensure action ends. If the facility prevails in such appeal, and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP as if no licensure action had occurred. If the facility does not administratively appeal IDPH's licensure action, and the action is overturned, the facility will be eligible for QUIP as if no licensure action had occurred.
- B) If IDPH issues a conditional license for any violation, other than a Type A (Refer to subsection (b)(4)), to a facility, the facility shall become ineligible for QUIP on the first day of the month subsequent to the date of issuance of the conditional license. Such ineligibility shall continue for six months. If the facility administratively appeals the issuance of a conditional license with IDPH, payments will continue to be withheld as specified above. If the facility prevails in such appeal, and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP as if no conditional license had been issued. If the facility does not administratively appeal the issuance of a conditional license with IDPH, and the conditional license is overturned, the facility will be eligible for QUIP as if no conditional license had been issued.
- C) In the event of a change in licensee, QUIP payments will be reinstated effective with the date of licensure, if the new licensee has complied with the corrective action plan (as determined by IDPH) related to the identified Type A violation(s) charged to the previous licensee as specified by IDPH.

Section 140.525(b)(2) (continued)

- D) Any licensure action, except a conditional license by IDPH, will disqualify the facility for QUIP on the date of notification of the licensure action, and will disqualify the facility for QUIP for the subsequent QUIP period(s) until the facility is again eligible under this qualification.
- 3) Meeting Residents' Needs
- A) A facility must be meeting in the aggregate at least 92% of residents' health and habilitation needs. Illinois Department of Public Aid (IDPA) will determine compliance with this screening standard through a review of the results of the Inspection of Care (IOC) assessment which is recorded on the Evaluation of Need for Care forms (DPA 2700 and DPA 2701), as required by Subparts F and G of this Part. The number of unmet needs will be compared to the number of needs identified to verify no more than 8 percent of needs are unmet. These forms document the evaluation of the need for a variety of services that may be rendered to a resident including assistance with activities of daily living and nursing care. If the facility fails to continue to satisfy this qualification, as evidenced by an IOC, the facility will lose its eligibility for QUIP effective with the IOC Exit date. The facility will be disqualified for QUIP Payment until a subsequent IOC indicates that at least 92% of residents' needs are being met. If the facility begins to provide at least 92% of residents' needs as evidenced by an IOC and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP effective the first day of the month subsequent to the IOC exit date.
- B) Should the facility fail to satisfy this qualification for needs met, the facility has 30 days to correct needs not met, do not score (see Section 140.909(d)). If the facility corrects needs not met, do not score so that the facility is providing at least 92% of residents' needs, and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP under this qualification as of the date of correction of needs not met, do not score so that no more than eight percent of needs are unmet.
- 4) A facility must have no Type A violations, as defined in 77 Ill. Adm. Code 300.330 and Section 1-129 of the Nursing Home Care

NOTICE OF EMERGENCY AMENDMENTS

Section 140.525(b)(4) (continued)

Reform Act of 1979 (Ill. Rev. Stat. 1987, ch. 111 1/2, par. 4151-129). A facility will be ineligible for QUIP based on the date the Illinois Department of Public Health's notice of violation is served on the facility. Ineligibility will begin on the first day of the month subsequent to the date that the notice of violation was served. Such ineligibility shall continue for a period of six (6) months. If a facility administratively appeals the Type A violation, payment shall be withheld according to this Section. If the Type A violation is reduced or overturned, as the result of an administrative appeal, and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP as if the violation had not occurred. In the event of a change in licensee, QUIP payments will be reinstated effective with the date of licensure, if the new licensee has complied with the corrective action plan (as determined by IDPH) related to the identified Type A violation(s) charged to the previous licensee as specified by IDPH.

5) In order to qualify for QUIP, a facility must provide reasonable access to Medicaid patients. Access will be considered reasonable when:

- A) Medicaid recipients constitute at least 25% of the facility's average daily census; or
- B) The proportion of Medicaid recipients in the census has increased at least two percentage points over the previous year; or
- C) The facility can demonstrate that it admits patients without regard to income or Medicaid eligibility or to some other criteria which in essence prioritize admissions on the basis of financial resources. The basis for determining priority of admission must be expressed in policy. Records documenting consistent application of the policy must be maintained.
- D) Nothing in this section may be construed as prohibiting preferential treatment of admissions on the basis of diagnosis, religious, ethnic or fraternal associations, county residence or association with a continuing care program. Facilities may accord preference in admission to the above groups as long as they do not discriminate against Medicaid residents within those groups.

NOTICE OF EMERGENCY AMENDMENTS

Section 140.525(b)(5) (continued)

E) If a facility fails to continue to satisfy this qualification by not providing reasonable access to Medicaid recipients as described above, the facility will lose its eligibility for QUIP effective on the last day of the on-site QUIP assessment, and no further QUIP payments will be made for the remainder of the QUIP period. If the facility provides access as defined above at the time of the subsequent QUIP assessment and the facility is otherwise eligible for QUIP, the facility will be eligible for QUIP under this qualification in the subsequent QUIP period.

c) Quality Incentive Standards

- 1) A facility shall first meet the eligibility qualifications under subsection (b) of this Part to be eligible for a quality incentive payment(s). The facility shall also meet one or more of five (5) quality incentive standards as set forth in Section 140.526 of this Part. A separate incentive payment is associated with each of the five quality incentive standards. The quality incentive standards are designed to be higher than those for the licensure, certification and inspection of care surveys. The standards expect a higher level of quality of service than necessary to meet minimum certification standards, set forth in 77 Ill. Adm. Code 300, 350 and 390. The standards are targeted at those aspects of a facility's care and services that can have the greatest impact on a resident's health, sense of well-being, and quality of life. Achievement of one or more standards will be based on an assessment using the QUIP assessment instrument.
- 2) A facility shall meet the level of achievement as expressed by a percentage score specified in this Section or as expressed as a number in Sections 140.526(d)(1) and 140.526(f)(2) of this Part to receive the incentive payment associated with a particular quality incentive standard. By attaining the level(s) specified, a facility succeeds in meeting a particular quality incentive standard or section of that standard. The following levels of achievement apply to all reimbursement periods commencing on or after January 1, 1988: 80% for QUIP Parts I (Section 140.526(b)), II (Section 140.526(c)), and IV (Section 140.526(e)), and 70% for QUIP Parts III (Section 140.526(d)), and V(A) (Section 140.526(f)(1)), and four (4) programs for QUIP Part V(B) (Section 140.526(f)(2)).

Other types of patient related transportation costs should be classified as either administrative costs or activity costs and are allowable.

Accordingly, the definition of ancillary service differs by licensure type, particularly between SNF and ICF, as compared to ICF/MR facilities.
- c) For SNF or ICF, the following are ancillary services: occupational therapy by a licensed therapist, recreational therapy by a licensed therapist, dental care, work-related programs, rehabilitation by licensed personnel, pharmacy (other than "group care restricted"), psychological services (evaluation and diagnosis/behavior

89 Ill. Adm. Code 147.150

These emergency amendments are being filed to provide necessary increases in the rates of reimbursement for nursing care in nursing facilities. Two revisions are being proposed regarding the minimum wage factor, which will result in increases in statewide rates and which will allow for greater equity in calculating facility rates. The immediate implementation of these changes is necessary to assure adequate reimbursement levels, and thereby provide for the health, safety and welfare of the persons who reside in Medicaid funded nursing facilities.

89 Ill. Adm. Code 147.205

These emergency amendments will result in necessary increases in nursing rates in nursing facilities, through a wage adjuster add-on. The failure to provide for immediate implementation of this add-on would likely result in a threat to the health, safety and welfare of the residents of nursing facilities due to inadequate reimbursement levels for essential nursing services.

- 9) Complete Description of the Subjects and Issues Involved:

89 Ill. Adm. Code 147.150

NOTICE OF EMERGENCY AMENDMENTS

Emergency amendments are being filed which provide for necessary increases in the rates of reimbursement for nursing care in nursing facilities. Two revisions are being proposed regarding wages for nurses (RNs and LPNs) and nurse aides, which will result in increases in statewide rates and create greater equity in calculating facility rates. The first change allows for the continuation of the minimum wage factor. For facilities below the statewide average wage, the wage is replaced by 90% of the statewide average. Absent the immediate implementation of the continuation of the minimum wage factor, such provisions in Section 147.150 were to expire due to questions regarding the adequacy of funding for long term care services for Fiscal Year 1993. Additionally, the final wage multiplier is being increased from 4.1% to 6.2%, and will result in a 2% wage increase in the nursing component. The estimated increase in Department expenditures due to these changes is \$13.4 million.

89 Ill. Adm. Code 147.205

These emergency amendments will result in necessary increases in nursing rates for nursing facilities, through a wage adjuster add-on. These amendments provide for an add-on to the final nursing rate calculation, that pays \$1.58 per resident day in Health Service Areas (HSA) which have wages equal to or above the statewide average, and \$2.00 per resident day in HSAs that have wages below the statewide average. The approximate increase in Department expenditures due to the wage adjuster add-on is \$31.7 million.

Section 147.150 Statewide Rates
 EMERGENCY

- a) This Section will become effective July 1, 1991 unless otherwise indicated.
- b) Per diem reimbursement rates for nursing care in intermediate and skilled care facilities consist of six elements: variable time reimbursement, training time reimbursement, fixed time reimbursement,

Section 147.150(b) (continued)
 EMERGENCY

fringe benefit reimbursement, and reimbursement for allowable costs of supplies, consultants, medical and nursing directors, and therapies.

- 1) Variable Time Reimbursement. Variable nursing time is that time necessary to meet the major service needs of residents which vary due to their physical or mental conditions. Each need level or specific nursing service measured by the Resident Assessment Instrument is associated with an amount of time and staff level (Sections 147. Table A and 147. Table B). Reimbursement is developed by multiplying the time for each service by the wage(s) of the type of staff performing the service except for occupational therapy, physical therapy and speech therapy. If more than one level of staff are involved in delivering a service, reimbursement for that service will be weighted by the wage and number of minutes allocated to each staff type. When a service can be provided by either an RN or an LPN, the wage used will be weighted by the average mix of RNs and LPNs in the sample of facilities used to set rates.

A) Determination of wages. In calculating the rate, the figures used by the Department for "wages" will be determined in the following manner:

- i) The mean wages for the applicable staff levels (RN's, LPN's, Nurse Aides) as reported on the cost reports and determined by geographical location will be the base.
- ii) Fringe benefits will be equal to 21%.
- iii) The fringe benefits will be added to the base.
- iv) This new total will then be updated for inflation from the time period for which the wage data are available to the midpoint of the rate year to recognize projected wage changes.
- v) Special minimum wage factor. For the period beginning July 1, 1990 through June 30, 1992, the Department will modify the process used in subsection (b)(1)(A)(i) to determine regional mean wages for Registered Nurses (RN), Licensed Practical Nurses (LPN) and nurse aides to include a minimum wage factor. For those homes below the statewide average

Section 147.150(b)(1)(A)(v) (continued)
EMERGENCY

the wage is replaced by 90% of the statewide average. Effective July 1, 1991, through June 30, 1992, a final wage multiplier of 4.1% will be applied to wages. Beginning July 1, 1992, a final wage multiplier of 6.2% will be applied to wages.

- B) Determination of Times and Staff Levels. The times and staff levels have been assigned by a panel of administrators and nurses active in long term care. Prior time/motion studies were used to assist the panel. These times will be reviewed periodically to insure that they accurately reflect nursing practice in the State.

2) Training Time Reimbursement

Training Time Reimbursement is determined by assessed need for training, the time allotted for training and the wage rates for licensed and nurse aide staff during the rate year.

- 3) Fixed Time Reimbursement. Fixed or indirect nursing time is that time which does not vary with resident condition or which cannot be measured by an assessment tool. It includes such items as staff meetings, supervision, "downtime", checking physicians' orders and time spent with residents which does not vary with condition. A statewide sample of residents will be used to determine "fixed" time. The mean variable time will be computed for the sample for each level of care, and this amount subtracted from Department of Public Health Minimum Staffing Ratios plus 5% for each level of care. (Department of Public Health Minimum Staffing Ratios, which are measured in terms of time, can be found in 77 Ill. Adm. Code 300.1230). Once the "fixed" time has been determined, the minutes will be weighted at 20% licensed and 80% unlicensed time and multiplied by the appropriate wage. This amount will be added to variable time for each resident in the sample. If fixed time is less than zero minutes, then it will equal zero.

- 4) Vacation, Sick Leave and Holiday Time. The time to be added for vacation, sick leave and holidays will be determined by multiplying the sum of Variable and Fixed Time by 5%. This time will then be weighted by 80% unlicensed and 20% licensed wages to determine the amount to be added to the rate for these benefits.

Section 147.150(b) (continued)
EMERGENCY

- 5) Special Supplies, Consultants and the Director of Nursing. Finally, amounts will be added for health care and program supplies, consultants required by Department of Public Health (including the Medical Director), and the Director of Nursing. (A list of consultants required by the Department of Public Health can be found in 77 Ill. Adm. Code 300.830).

- A) Supplies will be updated for inflation using the General Services Inflation (see 89 Ill. Adm. Code 140.551). A standard amount by level of care will be allocated for supplies. This amount will be determined based on the ratio of median updated supply costs by region to median costs for variable and fixed time by level of care (SNF/ICF) by region.

- B) The same analysis will be used to determine an amount for Consultants (including Medical Director) and the Director of Nursing. However, these costs will be updated with the wage inflation rate.

- 6) Therapies. Reimbursement for physical therapy, occupational therapy, and speech therapy will not be based upon individual resident need assessments, but upon the total therapy program days the facility provided to Medicaid residents over the six-month period prior to and including the resident assessment date. These therapy days, by therapy type and level (see Table H) will be associated with staff time per day as shown in Table H and staff wages to produce a per diem rate for each of the three therapy types.

c) Determination of Facility Rates.

- 1) The rate each facility receives will be determined by the assessed needs of residents the facility serves. Effective January 1, 1990, nurses from Department of Public Aid (DPA) will conduct an assessment of 100% of the Medicaid residents by level of care in each home annually. The assessment will be conducted during the four month period prior to the annual nursing IOC rate adjustment date. The needs of the residents in the sample will be assessed with the Resident Assessment Instrument. An amount for each resident will be calculated by multiplying the number of minutes from the assessment by the appropriate wage/wages for each assessment item (see (a) above), adding the appropriate amount for fixed time (see (b) above) and amounts for vacation, sick and holiday time (see (c) above), supplies,

EMERGENCY

consultants, and the Director of Nursing, (see (d) above). The average of the rates for residents assessed will become the facility's per diem reimbursement rate for each Medicaid patient in the facility effective on the facility's annual nursing IOC rate adjustment date.

- 2) A copy of the Resident Assessment will be left with the facility upon completion.

- d) Adjustment in Instrument. Residents assessed as being in need of a service but is not receiving the required service will be scored solely as need not met.

- e) An interim IOC may be requested by a facility by notifying, in writing, the Bureau of Long Term Quality Care Bureau Chief within 180 days of the exit date of the last IOC. The following criteria shall be met before a request for an interim IOC can be made. A 25% or greater turnover in Medicaid residents since the last IOC or there has been a 7% or greater increase in the average per patient care time. The request for the interim IOC shall contain a full explanation of why the facility meets the criteria and must include any documentation relevant to the request. The facility will be notified within 45 days from the date the request is received of whether an interim IOC will be conducted. If approved, the Bureau will conduct a full IOC within 60 days of the written approval decision. Upon reassessment, an amended 2700 will be forwarded to the DPA. Upon receipt of the amended 2700 the facility's rate will become effective for the final six months of that facility's rate year.

- f) If the interim IOC is scheduled to take place during the period when the next annual IOC is scheduled, only one IOC will be done. The rate that results will apply for the 18 month period which begins with the effective date of the interim IOC rate.

Section 147.205 Nursing Rates

EMERGENCY

For residential nursing services provided to Medicaid residents in skilled and intermediate care facilities from January 1, 1989, and thereafter unless otherwise indicated, the Department will determine nursing rates according to the following four--two steps:

DEPARTMENT OF PUBLIC AID

NOTICE OF EMERGENCY AMENDMENTS

Section 147.205 (continued)

EMERGENCY

- a) Calculation of the nursing rate: For each facility, the nursing rate will be computed according to the methods specified in Section 147.150(b), employing reimbursable staff times as specified in Section 147. Tables A and B for all assessment items.

- b) Calculation of the final nursing rate: for each facility, a final nursing rate will be equal to the sum of the nursing rate (see subsection (a) above) plus an add-on for Care Planning equal to thirty-five (35¢) per resident day, statewide. Effective July 1, 1992, there will be an additional wage adjuster add-on of \$1.58 per resident day for HSAs that have wages equal to or above the Statewide average and \$2.00 per resident day for HSAs that have wages below the Statewide average.

16 Ill Reg 11645

At its meeting on August 11, 1992, the Joint Committee on Administrative Rules objected to the Department of Central Management Services' emergency rulemaking entitled Merit and Fitness (80 Ill Adm Code 302) because no situation existed meeting the criteria for emergency rulemaking set out in Section 5-45 of the IAPA, and because the Department could not provide a justification for emergency rulemaking in this instance.

The Department was unable to explain why its new classification of intermittent employee had to be established by emergency rulemaking. The Department was unable to offer examples or justification why intermittent employees were necessary on an expedited basis. Emergency rulemaking is to be used only in a situation that requires adoption of a rule upon fewer days notice than is required by normal rulemaking, and which "reasonably constitutes a threat to the public interest, safety, or welfare". Given the Department's responses, and the statutory requirements for emergency rulemaking, no emergency situation is present in this instance.

Section 5-120 of the Administrative Procedure Act requires the agency to respond to this Objection within 90 days. Failure of the agency to respond within 90 days after receipt of the Statement of Objection shall be deemed to be a refusal to amend or repeal the rule.

At its meeting on August 11, 1992, the Joint Committee on Administrative Rules objected to the Pollution Control Board's rulemaking entitled Toxic Air Contaminants (35 Ill Adm Code 232) because in failing to review and evaluate fully all of the relevant material submitted concerning the listing of the chemical styrene as a toxic air contaminant, the Pollution Control Board acted contrary to Section 5.01(a) of the Illinois Administrative Procedure Act. Failure of the agency to respond within 90 days after receipt of the Statement of Objection shall be deemed to be a refusal.
